Ch 184

R1. DC into back bump of 3rd chain from the hook and each back bump to end (182 dc and 1 ch2)

*chain 2 does not count as a stitch here or anywhere throughout the pattern.

This first row is the right side of your work, place a stitch marker around one of the DC posts facing outward. Bring together each end of your work with the stitch marker still facing outward,

join to the first DC with a slip stitch forming a circle, taking care not to twist. leave stitch marker in position facing outward (do not remove)

using the tail from beginning row join to secure 1st and last chain at base.

From here we will be working in the round forming the bottom band of the jumper.

ch 2 turn.

R2. FPDC, BPDC to end of round, slst to 1st fpdc. ch2 turn
